Facilities & Energy Services

AggieWorks – How to Login

AggieWorks
aggieworks.tamu.edu

- To submit a work order in AggieWorks, navigate to *https://aggieworks.tamu.edu* to log in.
- Use your Texas A&M University NetID and password to Sign in.
- Be prepared to receive a Duo Push notification for multi-factor authentication.
- Follow the login instructions.
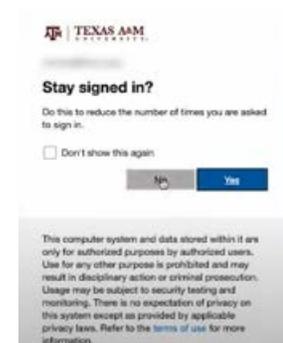

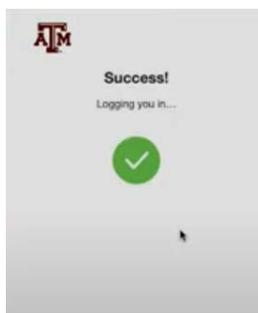

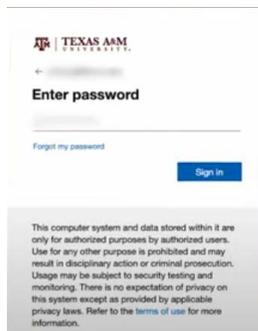

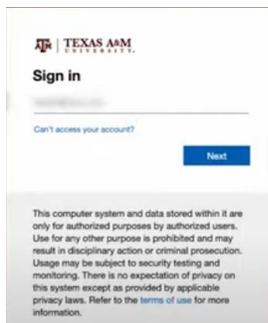

- This is the AggieWorks home screen you will see after logging in. You are now ready to submit your first request using AggieWorks.
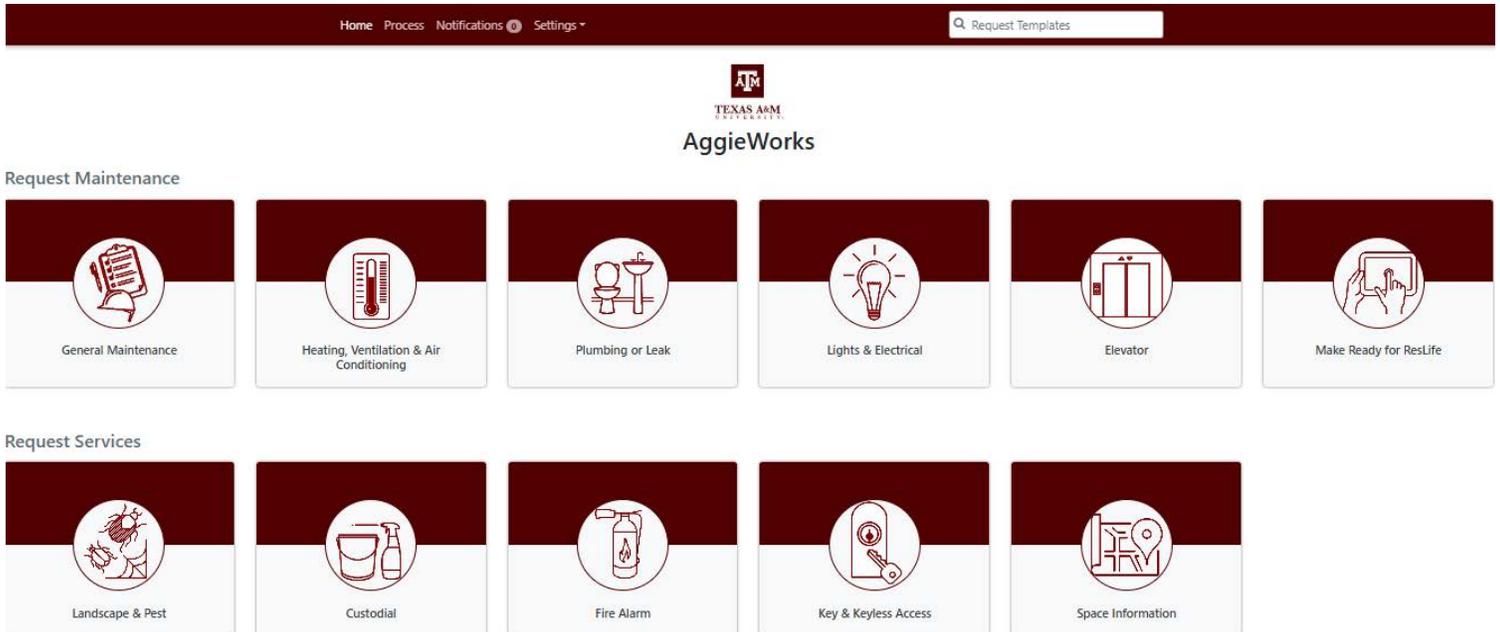

- Note: Texas A&M University System members or Texas A&M affiliates may need to open an Incognito/ private window in their web browser to log in to AggieWorks with their Texas A&M NetID.

- For more information about how to create a request, please review the "How to Create a Work Order" guide and video.

- To learn more about How to Login, please refer to this video for step-by-step instructions.
