TCEQ Lead and Copper Rule Revisions (LCRR)

Texas A&M University Main Campus PWD Number 0210017

Per Title 40 of the Code of Federal Regulations (40 CFR) Section 141.84(a) Texas A&M University has completed the required initial inventory of all water service lines that are served by the Public Water System (PWS). This inventory was submitted to the Texas Commission on Environmental Quality (TCEQ) by the deadline date of October 16, 2024. That inventory was completed in accordance with 40 CFR Section 141.84 (a)(9) and the result was there were no lead service lines (LSLs) or galvanized service lines requiring replacement (GRRs) identified within the inventory.

If you have specific questions about this requirement please contact Stuart Hightower, Director of Utilities & Energy Services, at: 979-458-3964, or by email at: stuart.hightower@exchange.tamu.edu.
